

Rainforest Alliance

VALIDATION STATEMENT FOR CKBV FLORESTA LTDA

Estrada do 40 horas, 17 KM 04
Anamindeua, Pará Brazil

Validation Scope:

Rainforest Alliance has validated that CKBV Floresta Ltda is in conformance with the *Verified Carbon Standard Version 3*. The project is located in Para state, Brazil. This independent third-party validation covers a REDD project of 27,434.9 hectares of privately owned land. The objective of this validation audit is to assess the likelihood that the implementation of the planned GHG project will result in the GHG emission reductions and/or removals stated in the project GHG assertion. The information supporting the GHG assertion is projected in nature. The project estimates it will lead to an avoidance of 9,432,299 t CO₂e emissions over the course of the 20 year project lifetime. The project was evaluated to a reasonable level of assurance.

Validation Registration Code: RA-VAL-VCS-016077

Effective Date: 17 May 2012

The validity of this statement is contingent upon the project's continued implementation of the *Verified Carbon Standard Version 3* and as further defined in the Rainforest Alliance Validation Audit Report dated 17 May 2012.

This validation was conducted in collaboration with Imaflora, a subcontractor organization of Rainforest Alliance.

Rainforest Alliance provides carbon project validation and verification services, based on protocols and standards developed by third party organizations and for which Rainforest Alliance has been accredited as a validation or verification body. This statement signifies that Rainforest Alliance has validated that the project listed above conforms to the particular standard listed above, as set forth in the audit report referenced above. In no circumstance does Rainforest Alliance warrant or guarantee the delivery of carbon emissions reductions credits or the financial or market value of any credits verified in connection with this validation statement. This statement is prepared solely for the benefit of the organization listed above and may not be relied upon by any third party without the express written consent of Rainforest Alliance.
